Unleash your creative self during this one day adult workshop where you will explore painting on Yupo (a 100% recyclable, waterproof, tree-free synthetic paper) using alcohol inks and concentrated watercolors. As time permits, stamping and stenciling will also be explored.

Artist Bio: An art enthusiast since childhood, Cindy Gilberti is drawn to watercolor, acrylics and collage as a creative outlet and diversion from her technical writing background. She enjoys the fluid uncontrolled spontaneity of watercolor and welcomes the social interaction it provides when shared with fellow art enthusiasts. A lifelong native of Western Pennsylvania, she is drawn to the outdoors and gravitates to nature-related subjects in her artwork.

She frequently exhibits at regional shows and has received numerous awards. Cindy has studied under Sterling Edwards, Stephen Quiller, Gerald Brommer, Bill Perry, Skip Lawrence, Tom McNickle, Jeannie McGuire, Gail Beem and other regional artists.

Each artist should bring a bag lunch; old towels or rags; and newspaper. And, it would be MOST helpful if you brought a 16x20 white mat with 11x14 opening (available at most craft stores).
