## "Embracing the Easter Story"

of the Holy Spirit to dwell with us as a guiding power, so we might fulfill our calling as disciples of Jesus. The gift of the Holy Spirit was ignited at Pentecost; however, the preparation for the movement of Christianity began with the calling, teaching, demonstrating, and empowering of the followers of Jesus as disciples of the Way, the Truth, and the New Life of the gospel.

presents the gospel story from the perspective of the beloved disciple, part of the inner circle of those closest to Jesus; that is why he is chosen to care for Mary, the mother of Jesus, at the crucifixion. Each gospel writer tells various stories about the events in the life of Jesus, some are repeated in each account while other events are unique to that writer's account of the gospel.

**W**e are fast approaching the Celebration of the Resurrection on Easter Sunday, April 16th. I hope you have been "listening for love" through the Season of Lent, through the use of the Lenten Devotional and participating in worship and other activities. It is now time to embrace the promise and hope of Easter!

The gospel story essentially begins with Easter, for without the resurrection, the life, crucifixion, and death of Jesus has little meaning. In fact, the gospels were written backwards, as a result of how events unfolded. It was only after the resurrection appearances of Jesus, that the disciples fully understood the scope of the mission of Jesus to redeem the world. The "aha" moments abound on the road to Emmaus, in the upper room, and along the lakeshore, as Jesus reveals his divinity to transform his humanity and all humanity. Jesus began this transformation with the full incarnation, as he fully aligned himself with being human and facing the same challenges that we face every day as finite beings in temporal vessels. He was fully obedient to the will and commands of God, thus making his atoning sacrifice on the cross, his death, the "trigger point" of redemption. It was only through this unique sacrifice that Jesus was able to create a new humanity to show us the Way to live forward in response to the redeeming love of God's mighty acts. These acts included the giving of the presence

The word gospel literally means "good news". Jesus came to be the "good news" among God's people to show them the truth of God's Word, and to show them the way to live a new life to the glory of God, as Jesus had fully done. That is why it is important for us to know the Word of God as revealed in scripture. During the 50 days following Easter, April 16th and before Pentecost, June 4th, I encourage you to learn the gospel story. I am inviting everyone to read one of the gospels. You can choose either the gospel account of Matthew, Mark, Luke, or John. The idea is to become familiar with the whole story of the gospel as told by the inspired words of these storytellers.

Each writer had a particular purpose in writing his account of the gospel story. Mark's account was to serve as a brief overview for forming disciples, a kind of Disciple Primer. Matthew wanted to encourage the Jewish audience to see Jesus as the Messiah, and embrace the fulfillment of the Old Testament promise of a Messiah to usher in a new Kingdom for all people. Luke wanted to put together an accurate account of the full span of the life, death, and resurrection of Jesus as a source of teaching people about the mighty acts of God through Jesus and the Holy Spirit. That's why Luke follows up his account of the gospel with the Acts of the Apostles, taking the gospel story into the world. John

We should not only learn what is in the story, but how to share the story with others. We are called to share the "good news" as disciples of the Kingdom of Jesus Christ. Each event, parable, encounter, miracle, and action of Jesus had a purpose to transform the lives of God's people. We are the "Us" in "JesUs" story. God's intention in Jesus becoming the Christ was to redeem us and transform our lives so we would daily reflect the good news in our lives to the glory of God. It begins with embracing the truth of the Resurrection of Jesus on Easter Sunday. I hope to see you there for the next phase of our life together in the Unity of the Body of Jesus the Christ!

Peace and Blessed Be,

*Pastor Dennis*

**Healing Properties of Essential Oils & Essential Oils of the Bible with Meredith Irwin**

*"And the leaves of the tree are for the healing of the nations." -Revelations 2:22*

Essential Oils are "volatile aromatic compounds", which means a chemical compound "sufficiently volatile" enough to be transported by our olfactory system. These are naturally occurring compounds which are found in the seeds, bark, stems, rinds and roots. They are designed by nature (or by the Creator) to protect the plant against environmental threats. They have also been called the immune system of the plant, and are known to have healing and therapeutic properties. Did you know Essential Oils are mentioned over 500 times in the Bible? Come to this educational workshop and see what the fuss has been about for the last few thousand years!

## Adult Education Events

The adult classes have also been busy. The Short Class finished their study of "The Cost of Discipleship" and will begin a new study on April 23rd, an analysis of the feature film "Risen." The Friday family night movie series continued with "Risen," shown on March 17th. Our next scheduled movie is scheduled for April 21st, titled "Miracles from Heaven."

There are also continuing education opportunities in the Dinner for a Dollar series, Baptism and the labyrinth as a form of prayer. The "Dinner for a Dollar" series concludes April 5th. A special thanks to Terri Molnar for the meals.

Unity also has an opportunity to participate in two great retreats at Crestfield. The first is a women's retreat from the evening of April 21st through noon on April 23rd. Rev. Caitlin Werth is the featured speaker. Planned events include fellowship, worship, reflection and good food. The second event is a senior day retreat scheduled for May 3rd. This is a full-day retreat with hayrides, Bible study, games, and relaxing by the fire. For further information and costs contact Fred Frost at the church. ## Join Us for the 2017 Soul Series

As noted on the previous page, we will once again be commencing our Unity Soul Series in May. This is a monthly series of workshops or seminars, designed to be a "gym for your spiritual fitness", with a focus on holistic health solutions for the mind and body as well.

This year we are holding the Soul Series once a month, on Wednesday evenings, rather than on Sunday evenings as we did in 2016. We're hoping this will coordinate better with people's schedules. Child care will also be available, so this is a great opportunity for parents to get some much needed "me" time, especially since most of the speakers feature various ways we can replenish our various reserves.

We look forward to seeing you there!

**Friday Family Movie Nights:** A series of movies for children, families, and adults will be shared **every third Friday evening**. The movie series will run through May of 2017. We will hold two separate screenings - one for children and one for adults. **PARENTS this is an excellent "date night" opportunity, whether you decide to join us for the mature-minded film, or venture out on the town!** Either way, we will entertain the kids for free. Each film selected will be faith-based and inspirational. Activities, snacks and refreshments during and after the movies will be provided. We encourage the entire family to participate, but as stated, parents or guardians can also drop off children for the few hours, and spend some time outside of the church.

SHOWING IN THE TRANSEPT:

**"Miracles from Heaven" starring Jennifer Garner**

**Friday, April 21, 2017 - 7:00pm - 9:30pm**

A child with an incurable disorder falls inside of a hollowed tree. While she is trapped and unconscious she visits Heaven. This movie is based on the real events that were lived by Anna.

## April / Easter Hymns for Focus and Reflection

### April 2 (5th S. in Lent)

O Christ the Healer has a familiar tune ERHALT UNS, HERR, that we have sung in Lent twice already. This text takes a wholistic approach to the word, healing: body, mind, spirit and voice. We need the whole person to sing and rejoice.

### April 9 PALM SUNDAY

All Glory, Laud, and Honor should not need an introduction; however is a great example for learning about our tune names. This hymn was written by Theodulph, bishop of Orleans in 820 while imprisoned in the monastery of St. Aubin at Angers, under the suspicion of treason. He was heard singing this hymn, that he wrote while in prison, and was ordered to be released; ordering that the hymn be sung every year on Palm Sunday! Hence the name Theodulph!

### April 16 EASTER

The choir will sing Day of Delight and Beauty Unbounded during communion and it was written in 1996, based on an old tune. Structurally, the refrain establishes the occasion, Easter as a day of delight, beauty, wonder and splendor and the stanzas indicate the appropriate response ---- singing! That point is made abundantly clear, because each of the six lines of the two stanzas begins with the imperative "Sing!"

### April 23 (2nd S. of Easter)

That Easter Day with Joy was Bright is one of the earliest hymns to be written for a specific season in the Church Year. It speaks of the women at the tomb and the angel's message reported to the disciples as well as with Christ's appearance to them. The timing of such hymnody is important in strengthening ecumenical connections through the many shared hymns that transcend denominational boundaries.

### April 30 (3rd S. of Easter)

Blessed Assurance is authored by Fanny Jan Crosby (1820-1915). As she recount in her autobiography, she wrote these words in response to hearing her composer friend play the melody several times on the piano. Because she had such a keen sense of the interplay between words and music, it is not surprising that this text and tune have been inseparable ever since. The opening statement of "Jesus is Mine" actually says the opposite of what singers want to affirm: Jesus does not belong to us; we belong to Jesus. As with many gospel songs, this sort of paradoxical exclamation is not unusual or likely to be seriously misunderstood.
